May I take pictures? Yes! Be sure to bring your camera, as we do allow photography and videography for non-commercial purposes

How long does a tour/visit take? The museum currently exhibits over 160 vehicles, WWI & WWII airplane engines, and vintage clothing. We have videos and storyboards to enjoy. With so much to see, please plan to spend at least an hour and a half to two hours enjoying the Museum. Some folks spend all day!

Are you handicap-accessible? The Museum is totally handicap-accessible. Because the exhibit area encompasses over 80,000 square feet of space, a full tour can be tiring for those with limited mobility or stamina. We therefore have 5 motorized scooters and a wheelchair available to our customers at no charge on a first-come, first-served basis

May I sit in the cars look under the hood? The Museum has two cars that you can sit in.
