FROM YOUR PRESIDENT:

I'd like to welcome the 2014 class of retirees to the ranks of NYSUT RC 45. You are in for a life-changing experience. Come September, there will be no need to set an alarm clock for some ridiculously early hour unless you are getting up to go have fun. You will now be able to get to that pile of books you have collected over the years that you have not had time to read. No longer will you need to spend your "free time" reading students' work. Cold coffee and lunch periods that are too short to finish eating in will become a distant memory, as will faculty meetings and lesson plans. You will be able to travel in off-peak times which are less expensive, much less crowded and more rewarding. You will be able to take your time in all you do. Jobs that you start can be left until tomorrow if something better comes along. You will have the time to get back to them.

The Council held its Spring membership meeting/election of all officers, Board of Directors members, delegates and alternates on Wednesday July 16th at the Central New York Living History Center in Homer, NY. The results of the election are as follows: President and Delegate - BILL NINNESS; 1st Vice President - GAIL V AN PATTEN; Secretary - BRENDA COMOLLI; Treasurer - MAXINE CLEVELAND; Members of the Board of Directors - RICK BROOKS, VICKI DARROW, CHRIS FRARE, and LORI MEGIVERN; NYSUT Representative Assembly Delegates - RICK BROOKS and VICKI DARROW; and AFT Alternate delegate - VICKI DARROW. Those elected will serve three year terms.

On behalf of all the officers, delegates and members of the Board of Directors who were reelected, I'd like to thank all of the retirees who voted and showed their continued support for what RC 45 is trying to accomplish.

This summer delegates had the opportunity to attend the NEA Retired Representative Assembly as well as the NEA Representative Assembly in Denver, Colorado and the AFT Convention in Los Angeles, California.

I was able to attend the NEA Retiree Conference as well as the NEA Representative Assembly. Although the NEA and the AFT have different formats, both dealt with the same issues that continue to plague our members, including assessment, evaluation of teachers, immigration reform, voter suppression, protection of contractual rights, Medicare and Social Security, and others. Delegates at both conferences called for the removal of Arne Duncan, US Secretary of Education. It was an election year at both conventions.

(continued on page 2)
From your President (cont.)

NYSUT will be holding its Endorsement Conference August 11-13 in Albany. The AFL-CIO Endorsement Conference will take place on August 18th in New York City. I will be attending both. As you are aware, critical local and state elections will be taking place in November. We need to show candidates by voting that we have the power to elect those who support public education, our contractual rights and our benefits.
